Before I could speak, he asked me about my home and family. After that he became quite nostalgic. Suddenly his eyes filled with tears as he told me that I reminded him of his granddaughter Julli, who was in the US. I got to know his son was in the US for the last five years. He had been staying alone after his wife passed away a year ago. A retired officer with enough wealth, yet there was no one to take care of him. Speaking over the phone with his granddaughter was not enough. All he needed was love and care from his children. From that day onwards we became friends. He calls me granddaughter and loves me very much. From my meeting with him I learnt that nothing is greater than the family, and that money cannot buy happiness. The key to a happy family is love and care.

Nowadays schools and colleges have become the abode of indiscipline. Everybody knows that students have become undisciplined. At the time of examination police are called. Who will be happy when he sees a policeman standing at the gate with a stick in his hand? One is tempted to ask, "What is the use of this education where policemen are needed for conducting examinations?" The aim of education is to wipe out the existence of the force. When a father sends his son to school, does he think that his son will become a thief? So it is not an irony that parents spend money to see student thieves, who copy in the

examination hall at the point of a knife, stick, or , pistol ,are no better than robbers. Can any father be happy when does he see this?

The cause of such indiscipline is that students don't read and teachers don't teach. Generally, in many places inefficient teachers are appointed by the authorities on the basis of recommendation. Sometimes they select inefficient hands to pay less. The result is that the schools and colleges play with the lives of the young students. Among teachers, there is friction. Sometimes principals harass teachers and sometimes teachers unite against them. The result is that schools/colleges become places of petty party politics.

Another cause is that schools and colleges are over-crowded. Ill-fed, ill –clothed and tuition hunter teachers are there to teach. Papers are out. Students are tempted to go to the safest way of tuition. When there is no work, indiscipline comes in. An idle man's mind is the devil's workshop.

A. From the passage find the words which mean: 4x0.5=2

- (a) the place where somebody lives
- (b) minor
- (c) lured
- (d) the strange aspect of situation

B. Answer the following questions: 3x2=6

Dear Sir,

I saw your advertisement for a film club organizer and I'm very interested in applying for the position.

I'm a twenty year old Sri Lankan male who was born and bred in Jaffna, Sri Lanka. I have a diploma from Advanced Technological Institute where I studied a part of the usual subjects English, French, and Cinema Studies. My passion is the cinema and in my last three years at school I organized a film club and discussion group. Here in Jaffna I'm attending a media study course at the university and working part-time in a ticket office of the cinema so I've seen a lot of films since I've been here.

I'm friendly and outgoing and I speak fluent but not perfect English. I'm willing to attend an interview whenever is convenient for you.

Yours faithfully
Nanthini
